

World Book Day

On World Book Day, the children came to school dressed in comfortable, relaxing clothes to chill out with a good book. The hall was set out with quilts, sofas and relaxation zones, so each class could enjoy a session reading their favourite books.

Every child was given a paper plate to design a book character or scene from their favourite book. There were some amazing designs and so many children (and parents!) have worked hard! The plates are now displayed in the library for anyone to see! Winners were chosen from each class and received a book as a prize!

Skipping Workshop

On Friday 28th February the whole school took part in a skipping workshop. The workshop started off by practising normal skipping then it got a little bit harder when we tried to do tricks. It was great fun and the whole school enjoyed it. At the end of the day some of the children took part in an assembly to show off their new skills.

Parents Evening

You should have received a letter today regarding parents evening which is taking place on Wednesday 25th & Thursday 26th March. Please ensure that slips are sent back no later than Monday 16th March.

Coronavirus

We are encouraging the children to wash their hands regularly. In assembly, Mrs MacDonald showed the children how to wash their hands thoroughly.

Please see the school website (announcements) for the latest DFE advice on Coronavirus.

We are looking at the feasibility of running an after school club from September 2020. We would envisage it running daily from 3.15pm-5.45pm and would be run in the school by Corby Borough Council who currently run our breakfast club. A letter will be sent home shortly with more information.

Due to lack of interest the Bingo Night due to take place on Friday 7th March has been cancelled.

Save the Date

This year our Rose Fair will be held on the afternoon of Friday 22nd May. More details to follow.

Help Wanted

Our wonderful new library is now up and running and is open for parents and children to take out books after school. If any parents are able to volunteer in the library after school we would be very grateful. Please speak to the office if you're interested.
